

USA-BASED BOARD APPOINTMENT

The Directors of White Canyon Uranium Limited have pleasure in welcoming a Utah-resident director, Mike Bynum, to the Company's Board. Mike brings extensive US based legal and corporate experience gained over 30 years.

Mike received his B.S. and J.D. degrees from the University of Colorado. He has held senior management positions, board positions and served as Managing Partner of Chrisman, Bynum & Johnson P.C., a Colorado based law firm. Mike has worked closely with emerging US corporations with a focus on developing, implementing and delivering successful growth strategies and business structures. The Board considers Mike's appointment will add considerable corporate knowledge relevant to the US market and will further facilitate the emergence of White Canyon Uranium as a significant Uranium producer in the United States of America over the coming years.

Yours faithfully
